Questioned re riding over final 100m and overall performance - rider stated intention to be handy but unable to muster necessary speed in early stages, forced to settle worse than midfield. Attempted to improve leaving 500 but failed to respond and proved dissapointing. Near 200m shifted in to obtain clear running but then had to steady from heels. Felt horse had then peaked on run so did not ride it out to end of race. Felt horse may have felt firm surface and might benefit with blinkers.
