S. Comments:jockey D. Griffin indicated from the wide barrier he was obliged to position the gelding at the tail of the field and as the horse races over longer distances it was doing its best work over the concluding stages and would benefit from a step up in distance. He indicated he had been held up for clear running from the 600m to the 400m and after being afforded clear running laid in under pressure and was also inconvenienced near the 300m. Jockey Griffin added he again had some difficulty securing clear running until the final 100m when the horse finished the race off well.

Was of the view that she was going to cross runners to her inside easily near the 900m but one commenced to overrace so she had to press forward in order to obtain a position closer to the fence. S. Comments:When questioned - rider stated mount travelled well throughout although he was obliged to race in a line of three for some distance in the lead in the middle stages, which flattened his mount. He added he rode Claim the Throne along and it improved approaching the home turn however it failed to respond to his riding in the early stages of the straight and it found the line only fairly; a post-race veterinary examination did not reveal any significant abnormalities
