S. Comments:Raced greenly in the home straight. Trainer P. Duff was asked to explain the horse's improved performance. He indicated that at Eagle Farm on 9 November the gelding raced greenly and he expected a forward showing at the horse's most recent start on 25 November at Ipswich, however the horse performed poorly and he felt that the firm racing surface on that occasion may have been a contributing factor. He also indicated that the addition of blinkers may have been a factor in today's performance. Raced greenly in the home straight. Trainer P. Duff was asked to explain the horse's improved performance.

S. Comments:When asked to comment on the horse's performance, M. Cahill stated that from the wide alley he was obliged to position the horse at the tail of the field in order to obtain cover closer to the fence and was then obliged to shift very wide on the home turn in order to secure clear running. He indicted that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

He indicated that from the wide alley he was content to position the horse at the tail of the field and he also added that his mount was slow to begin.
