S. Comments:Slow to begin. Questioned re tactics rider stated that from his wide barrier and with the colt wearing blinkers again today, his instructions were to be in a forward position. He said that, after being slow to begin, he rode along, where the colt commenced to overrace in the early and middle stages and consequently he was obliged to allow the horse to stride forward and lead. Trainer agreed that the colt overraced in blinkers and indicated he would consider removing this gear and adding winkers. Vet exam revealed showing signs of respiratory distress and had abraded near hind bumper.

S. Comments: Raced greenly in the home straight. Trainer P. Duff was asked to explain the horse's improved performance. He indicated that at Eagle Farm on 9 November the gelding raced greenly and he expected a forward showing at the horse's most recent start on 25 November at Ipswich, however the horse performed poorly and he felt that the firm racing surface on that occasion may have been a contributing factor. He also indicated that the addition of blinkers may have been a factor in today's performance. Raced greenly in the home straight. Trainer P. Duff was asked to explain the horse's improved performance.
