In Running: /16/14

S. Comments:Slow to begin. Held up rounding the home turn and again in the early stages of the home straight. Stewards asked N. Day to comment on the horse's performance. He stated that after beginning awkwardly, the horse lost further ground when he momentarily lost the use of an iron, which took a short distance to regain. He indicated that he would have liked to have been in a more forward position, however the horse did not muster early speed. He added that the horse finished the race off strongly and in his opinion would be suited to racing over a further distance than that of today's event.

S. Comments: Underwent a veterinary examination prior to the start of this event and was cleared to race. Slow to begin. When asked to comment on the performance, jockey J. Lloyd indicated as the horse was having its first start and had not shown early speed in its barrier trial, he was instructed to settle his mount where comfortable and after travelling well responded to his riding in the home straight and was doing its best work over the concluding stages. A post race veterinary examination revealed signs of lameness in the near foreleg. A veterinary clearance will be required prior to next race start.

Lloyd advised that the horse was slow to begin and he was obliged to settle at the rear of the field, which was contrary to the horse's normal racing pattern. He added that from the 550m the gelding laid in for a short distance and when placed under pressure felt the horse came to the end of its run near the 150m, which he attributed to the horse racing first up from a spell tonight. S. Comments:When questioned regarding the performance, Jockey M Hellyer explained that the horse has shown previously that it races best when allowed to dictate terms on its own accord. He said today he was keen to maintain the lead, however, it was headed by HIDDEN ROAD. He said the horse then travelled only fairly however, once PONCHERELLO raced up alongside, his mount dropped the bit and commenced to weaken before straightening. In straight did not persist in riding it out as was losing ground quickly. Post-race examination revealed poor post-race recovery and mild heart stress.
