S. Comments: Taken inwards near the 900m, shifted out and clipped heels. On returning to scale Jockey J. P. Stanley reported that after suffering interference his mount failed to travel and when placed under pressure in the home straight failed to respond. A post-race veterinary examination revealed

that the gelding had sustained a small laceration to the off foreleg.

He added that when placed under heavy pressure from the 400m the horse changed stride and raced more tractably and although having some difficulty securing clear running when improving on to the heels of weakening runners, finished the race off nicely and was doing its best work over the concluding stages. He indicated that the horse would be much more suited to races over 1400m and beyond where it will have the opportunity to take up a forward positio

S. Comments: When asked to comment on the horse's performance, M. Cahill stated that from the wide alley he was obliged to position the horse at the tail of the field in order to obtain cover closer to the fence and was then obliged to shift very wide on the home turn in order to secure clear running. He indicted that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

When questioned as to the horse's performance, apprentice S. Eilbeck reported that the gelding never felt comfortable in its action throughout the event and when asked to improve into the race from the 600m commenced to hang out and shifted wider on the track. Apprentice Eilbeck added that over the concluding stages the gelding changed stride and dipped and for that reason she did not continue to pressure the horse. Vetted, no significant findings.

S. Comments: When questioned regarding the performance, Jockey M Hellyer explained that the horse has shown previously that it races best when allowed to dictate terms on its own accord. He said today he was keen to maintain the lead, however, it was headed by HIDDEN ROAD. He said the horse then travelled only fairly however, once PONCHERELLO raced up alongside, his mount dropped the bit and commenced to weaken before straightening. In straight did not persist in riding it out as was losing ground quickly. Post-race examination revealed poor post-race recovery and mild heart stress.
