S. Comments:Stewards asked M. Hellyer to comment on the horse's performance. He indicated that as the horse had a tendency to hang, he was mindful of this in the running. The horse did lay out somewhat rounding the home turn and when attempting to secure clear running in the home straight, he looked to improve to the inside of BAR FLY BARRISTER, however when that horse shifted back towards the fence he elected to shift out approaching the 200m and was then also obliged to shift out further to obtain clear running outside THE COLUMBIAN. He added that the horse was doing its best work over the final stages.

S. Comments:When questioned regarding the disappointing performance Jockey R Plumb was at a loss to explain the performance and could only add that the gelding travelled well until placed under pressure entering the home straight and failed to respond. As a result near the 200m he elected to ease the gelding over the final stages. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. A swab sample was taken.

Browne indicated that whilst he was held up he also felt that the horse was somewhat reluctant to improve to the inside of other runners at it became awkward to the inside of GUADALUPE when attempting to improve near the 500m, and when able to improve near the 200m the horse raced greenly and when he was attempting to shift out around DELAWAR near the 100m, the horse again showed a reluctance to respond to being directed out at that point.

S. Comments:When questioned regarding the performance, Jockey M Hellyer explained that the horse has shown previously that it races best when allowed to dictate terms on its own accord. He said today he was keen to maintain the lead, however, it was headed by HIDDEN ROAD. He said the horse then travelled only fairly however, once PONCHERELLO raced up alongside, his mount dropped the bit and commenced to weaken before straightening. In straight did not persist in riding it out as was losing ground quickly. Post-race examination revealed poor post-race recovery and mild heart stress.
