She indicated that after riding the horse forward, as is the horse's racing pattern, she initially intended settling to the outside of DANDOG, however when her mount raced keenly she elected to allow the horse to stride passing the 1000m in an attempt to cross that horse, however DANDOG continued to hold its position to the inside, and whilst her mount did settle somewhat when approaching the 600m, the gelding was immediately under pressure passing the 400m and was disappointing in the run to the line.

Browne indicated that whilst he was held up he also felt that the horse was somewhat reluctant to improve to the inside of other runners as it became awkward to the inside of GUADALUPE when attempting to improve near the 500m, and when able to improve near the 200m the horse raced greenly and when he was attempting to shift out around DELAWAR near the 100m, the horse again showed a reluctance to respond to being directed out at that point.

He indicated that it had been his intention to settle midfield just behind the lead if possible, however after beginning well he elected to attempt to sit outside SOL WITNESS, however when that horse was steadied leaving the 1200m he elected to allow his mount to stride forward, as he had been advised that the horse can overrace, and he established the lead near the 1000m.
