Stewards advised jockey Fradd that he would be expected to report any matter that may have had an effect on a horse's performance so as not to leave his riding open to question.

He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Tnr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Vetted, no abnormalities.

Added considered improving into a run between STEEL ZIP and LORDAG however, when she angled to take advantage of run STEEL ZIP shifted out slightly and was concerned there was insufficient room to improve and for this reason shifted to outside heels of LORDAG to improved. S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. Stewards noted the explanation.
