Lacy stated that the horses usual racing pattern is to race in front or up on the speed, and the mare has shown in the past to have a reluctance to being restrained as well as an inclination to choke down. She added that in the heavy going she was not overly concerned to maintain the position she did, however in hindsight conceded it may have been more advantageous to endeavour to restrain to find cover. S. Comments:After obtaining clear running passing the 300m the mare was placed under pressure and commenced to hang in badly, resulting in its rider being unable to test her mount from that point onwards. Trainer C. Hickey was advised that a warning would be placed on the horses racing manners.
