S. Comments:Stewards asked trainer T. Miller to comment on the horse's seemingly improved performance. He indicated that he has been quite pleased with the horse's performance since returning from a significant spell. He added that in his opinion the horse had been working well and it has been the intention to allow the horse to lead in its races and he believes that the horse races best when able to lead without being challenged as in today's event. He further added that today's soft track and the step up to a mile were also factors which may have contributed to today's performance.

S. Comments:Jockey J. S. Comments:When asked to comment on the disappointing performance, jockey Fancourt indicated that the horse raced quite greenly throughout the event, shifting both in and out when racing outside the lead. She was of the view that the disappointing performance could be attributed to the horse having its first start on a very rain affected track as the horse did not travel comfortably when asked for an effort after leaving the 600m. Stewards will interview trainer Mr T. Gollan, who was not present at the meeting.

S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.

Herne was questioned regarding the seemingly improved performance. She indicated that after the horse started at the Gold Coast on 17 May the stable added a tongue-tie to the horse's gear, which it raced in on 17 June. However the gelding's performance on this occasion could be explained by sustaining interference on a number of occasions throughout the event, as noted in the Stewards' Report. She added that the stable had expected a forward showing in today's race as the horse had responded in its trackwork following the addition of the tongue-tie.
