When questioned regarding the performance, Jockey Stewart said that he was not overly disappointed with the gelding's run and was of the opinion that it was a fair performance, given that the gelding raced best when able to obtain a forward position. A post-race veterinary examination did not reveal any abnormalities. The trainer reported that the gelding had an abscess in the near hind hoof and will now be spelled.

Apprentice Oliver stated that his intention was to settle in a midfield position if possible after he had received no specific instructions, and after beginning on terms with the field he was of the view if he had restrained to take up a midfield to back position he would have been caught wide, and given the fact that it was a 1000m event he elected to ride forward and take up a forward position. Stewards noted the explanation.
