When questioned about her riding rounding the home turn, in particular as to how the favourite and eventual winner was able to obtain a run to her inside. Jockey said that, although she was aware that she had the favourite to her inside, her mount was already under pressure at that point and was inclined to lay out under riding, resulting in her shifting wider on the track. Jockey was advised to ride her mounts in a competitive manner at all times and not leave herself open to query.

S. Comments:When questioned regarding the disappointing performance Apprentice said instructions were to lead, as per established racing pattern. She said that after beginning well she was able to obtain the lead, and although another runner improved to her outside, the gelding travelled comfortably, however was disappointing from the 600 metres. Trainer advised that the gelding would not race beyond 1000 metres in future and would advise if any abnormalities were revealed in coming days.

S. Comments:When questioned regarding the filly leading today, Jockey said that he had been instructed to ride the filly back in the field. However, from the wide gate when inside runners did not show the anticipated early pace he rode his mount along, crossed to the lead and allowed it to stride forward where the filly travelled comfortably. Jockey concurred with stewards that he should have made a greater effort to restrain his mount in the early stages in an attempt to comply with his instructions.

S. Comments:When questioned as to whether there was an opportunity to improve her position approaching the home turn, Apprentice said that she had been instructed to ride the mare where it was comfortable, and not to contest the lead if the tempo was solid. She felt the leader, had gone hard in front and she envisaged that it would weaken, so she desisted from riding her mount along at the home turn, electing to let it straighten and balance up before placing it under full pressure. She agreed with the view of stewards that she had erred by not placing her mount under pressure earlier.

S. Comments:Stewards interviewed apprentice M. Murphy regarding his riding of the horse from the 700m. After taking evidence from apprentice Murphy, stewards advised him that, in their opinion, he had erred in failing to shift out around the heels of KENTAUR after passing the 700m, which would have afforded him clear running and as a result of his failure to shift wider, FOREST WAY was held up for clear running from the 600m until approaching the 250m. Stewards took into account his status as an apprentice and took no further action.
