greenly throughout the home straight placing its rider at a disadvantage, not allowing him to fully test his mount. Trainer was advised that the filly must trial to

the stewards satisfaction before being permitted to start again. Trainer added that the filly would be sent for an immediate spell.

S. Comments:Was hampered shortly after the start. Rider advised stewards following the race that the mare had to work hard in the early stages then travelled comfortably in the middle stages and entering the home straight, however failed to let down when placed under pressure over the concluding stages and in his opinion was disappointing. A post-race veterinary examination did not reveal any significant abnormalities. Connections advised stewards that it was now their intention to spell the mare.

S. Comments:Prior to the declaration of correct weight, Stewards considered objection lodged by the rider of the 3rd placed mare against the second placed mare alleging inference near the 800 metres. With respect of the objection 3rd v 2nd Stewards found that whilst the mare was bumped near the 800m when another runner shifted in, they weren't of the view that any interference suffered to the mare was significant enough to warrant a reversal of the placings and given proximity of this incident to the finish line, and the manner in which the race was run following the bump the objection was dismissed.
