Rider stated she did not overly apply pressure early as she felt her mount did not have sufficient pace to cross and she raced 3 wide for the majority of the event. Apprentice Ljung subsequently agreed it would have been more advantageous if she pressured her mount more in the early stages, enabling her to cross the runners to her inside, giving her a better run throughout. However, as stewards did not feel her riding fell below the required standard, no further action was taken.			In Running: /2/3
