Ljung reported that after being caught wide in the early stages when racing on the speed in a fast run race, she elected to restrain her mount to a position closer to the rails passing the 800m. She added that from this point the filly did not travel strongly and lost some ground on the leaders, however ran on fairly in the home straight despite laying in.

A post race veterinary examination of Angelican did not reveal any abnormalities. Trainer representative, Mr J. Cummings, stated that Angelican had a particularly hard run at its last start at Canterbury on 11 January, and in his view, may still be feeling the effects of that run.

He said having watched the previous races he believed the better going was 5 or 6 wide in the straight so he shifted wider rounding the home turn to obtain that position. Stewards noted his explanation, but advised him it would have been more advantageous to hold a position closer to the rail and then on straightening shift wider on the track to that part of the track which he believed to be superior going.
