Geran stated that after being slow to begin his mount then travelled only reasonably during the middle stages of the event, however ran on fairly in the home straight and in his opinion would be better suited in races over a further distance than today's event. Trainer K. Kemp agreed with the appraisal of jockey Geran and advised that at the next start he will look to stepping the horse up in distance.

A post race veterinary examination of Angelican did not reveal any abnormalities. Trainer representative, Mr J. Cummings, stated that Angelican had a particularly hard run at its last start at Canterbury on 11 January, and in his view, may still be feeling the effects of that run.

S. Comments:When questioned as to whether there was an opportunity to maintain a trailing position behind the leader during the middle stages of the event rather than surrendering this position to another runner, jockey advised that due to the strong early tempo set, he was of the view to restrain his mount during the middle stages to allow the horse to travel more comfortably which in his opinion would have enabled the mare to finish the race off to its full potential, bearing in mind the steep weight rise tonight from its most recent win.

She added that leaving the 1000m she attempted to settle the horse but was forced wider when SAVVY GIRL, which tended to overrace, shifted out, forcing her wider. She added whilst acknowledging she was racing wide she was mindful of her instructions and rode the horse accordingly.
