S. Comments:Rider questioned re disappointing performance, rider said after beginning reasonably he rode his mount along in the early stages in an endeavour to obtain a forward position, however the gelding failed to display sufficient speed and when crossed by other runners settled further back than anticipated and never travelled for the remainder of the event and in his opinion was disappointing. A post-race veterinary examination revealed mild lameness in the off foreleg. Trainer L. Hatch was advised that he will be required to produce a veterinary clearance for the horse prior to its next start.
