Inquiry re rider C. Maund shifting wider on the home turn, giving clear running for the favourite Super Coach to his inside. C. Maund said his instructions were to ensure he was the widest runner in the home straight as the horse has shown a tendency to resent racing inside of other runners. He added he may have erred in shifting as wide as he did, but was trying to fulfil his instructions. Stewards advised jockey Maund they felt he had erred, but given the margin between first and second, they did not take further action. Rider reported that when allowed to settle in a position in the second half of the field the mare in her opinion did not travel well and it was her view that the horse may be suited to settling in a position closer to the lead. A post race veterinary examination of the horse, which was making an abnormal respiratory noise failed to reveal any significant abnormalities. Trainer advised he would have his veterinary surgeon examine the horse.Trainer subsequently reported that the mare was vetted and scoped upon return to his stables with no abnormalities detected

S. Comments:Connections advised that from the inside barrier the horse would be ridden more positively today. When questioned regarding the horse's disappointing performance, apprentice Ljung advised that the mare never travelled strongly throughout the event and when placed under pressure from the 600m proved disappointing. She added that in her opinion the mare raced flat today and may have come to the end of its preparation. A post-race veterinary examination revealed no abnormalities. Trainer K. Kemp advised that following tonight's performance, the horse would be spelled immediately.
