Trainer expressed disappointment with the performance of the mare, which was having its first start in his stable tonight. S. Comments:When questioned regarding the horse's improved performance, trainer reported that he was expecting a forward showing at the gelding's previous start at Doomben, however the tempo of the race on that occasion did not suit and the performance was disappointing. He added that the gelding had worked well leading into tonight's event and he was again confident of a forward showing.

S. Comments:Bumped on jumping. When questioned regarding the performance, rider stated that rounding the first turn his mount was inclined to lay out and felt to become unbalanced. Also added that from this point he was obliged to continually ride his mount along just to keep his position in the field and his mount weakened dramatically in its run to the line. Trainer Mr G. Banks was at a loss to explain the performance. A post race vet examination, which was beaten 39.3L, did not reveal any abnormalities. Trainer was advised must barrier trial.
