S. Comments:Shifted out approaching the 100m and bumped another runner. Rider questioned re tactics. He said he was told to lead if possible and after trying to take a sit when caught wide, he could not obtain a position with cover so he allowed the horse to stride forward. He said being its first run with blinkers back on, it raced a little keenly so he elected not to restrain it but allow it to stride along at a comfortable pace in the lead. He thought being caught wide early and having to do additional work may have had an effect on the gelding's finishing effort. Stewards noted his explanation.

S. Comments: Began awkwardly and lost ground. Raced wide from the 600m. Inquiry re tactics adopted. Apprentice J. Orman stated that his instructions were to be in a forward position, but after beginning awkwardly the runners to his outside had improved and crossed him and instead of improving forward and being caught wide, he elected to remain in a rearward position with cover. He added he was able to improve into the race from the 600m where the gelding finished the race off only fairly. He indicated that the gelding would be better suited to racing over distances further than that of today's event.
