S. Comments:Jumped away awkwardly and then bumped shortly after the start. A post race veterinary examination revealed the horse had sprung its near fore plate and had speedy cuts to its near hind leg. Trainer T. Sears indicated he would have his own veterinary surgeon perform tests on the horse and that he would report back any findings to the stewards. Mr Sears could find no abnormalities and he was subsequently advised that the horse must trial prior to next start.

S. Comments:Apprentice J. Orman advised stewards that it was his intention to go forward, however the filly failed to muster sufficient speed to clear other runners and as a result was left racing three wide without cover. He added that the horse travelled well throughout until placed under pressure approaching the 400m where it failed to respond and proved very disappointing. Vetted, no abnormalities. Trainer reports horse will continue its prep, but he will be removing the tongue tie, and seeking a weaker class race for the the future.
