S. Comments:Rider questioned re tactics adopted - stated filly began well and elected to steady as he did not wish to be placed in a speed battle with other runners. However, when UMBERTO crossed him at 1100m he had intended to sit outside that gelding but was prevented from doing so and was forced to race behind the leaders until the entrance to the straight. Added in his opinion filly is looking for a further distance than today's 1350m and did not quicken as he had expected. Vetted - no abnormalities.

pressured. He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Thr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Near 200m checked off heels and altered course inside of another runner where there was insufficient room and again severely checked approaching 100m. Rider did not test mount over concluding stages - explained on both occasions gelding did not fully establish a run and as a result no action taken.

He explained that he had no specific instructions and after jumping well from his wide alley he elected to steady his mount to find cover as he believed he did not have the pace to race in a handy position. He added that the gelding laid out throughout the event and did not handle the track conditions today.

S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. Stewards noted the explanation.

P. S. Comments: Had to be steadied and checked off heels approaching the 1300m when tightened for room and tehn shortly after overraced when the pace slackeneed. When questioned regarding the tacitcs jockey J. Byrne explained that he steadied after being slightly hampered in the early stages he got shuffled back to a rearward position with the slow tempo. He added that at a point passing the 800m no opportunity arose for him to improve on the back of another runner and therefore he elected to wait and not expose his mount too early. He added that gelding ran on well over the concluding stages.

S. Comments: Tightened for room when Rock The Pac laid in under pressure near the 700m. Forced wider on the track near the 400m. Apprentice J. Oliver, in the presence of Mr K. Kemp, was questioned regarding his whip action over the concluding stages when joined by Lever Lever, which shifted out under pressure. Stewards found that whilst apprentice Oliver had changed his whip action, they were not of the opinion that his action had changed to the extent that a breach of the rules had occurred.

On returning to scale, jockey Beau Appo reported to Stewards that, in his opinion, the work the horse was required to do after being caught wide in

the early stages was the major contributing factor in the horse's poor performance tonight.

S. Comments:Slow to begin. When questioned as to the horse's performance, jockey R. McMahon advised that due to the fast early tempo his mount was off the bit for the majority of the event. He added that from the 550m the gelding laid in for a short distance and when placed under pressure felt the horse came to the end of its run near the 150m, which he attributed to the horse racing first up from a spell tonight. A post-race veterinary examination revealed the gelding to be mildly lame in the near hind leg.

In Running: /7/7 S. Comments:Rider questioned re tactics upon entering home straight particularly as there was an opportunity to improve to the outside of ICE BUCKET stated instructed not to expose gelding too early and to maintain cover for as long as possible as gelding only has a short sprint. Trainer confirmed instructions however after viewing video conceded it would have been a better option to come to outside at entrance to straight. Explanations noted.
