S. Comments:Reared as the start was effected and lost ground. Jockey J. Lloyd was asked to comment on the performance of the horse. He indicated that his mount was fractious in the barriers and reared up and missed the start and he was obliged therefore to ride the horse further back in the field than he would have liked. He further added he had been following NORMANDY, however shifted to the outside of that horse after passing the 600m and shortly thereafter the horse was under pressure and was very disappointing. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Became fractious in the barriers and reared on a number of occasions prior to the start being effected. Raced 3 wide without cover throughout. When questioned regarding the poor performance, Trainer Mr. B. Currie advised that he was of the view that the gelding did not handle the heavy track of today's event. A post-race veterinary examination revealed no significant abnormalities other than that the gelding was exhibiting a slightly slower post-race recovery.
