S. Comments:Commenced to overrace when the pace slackened near the 1200m, shifted out to avoid heels and as a result raced three wide without cover from the 1100m. A post-race veterinary examination revealed that the colt had a superficial laceration to the off hind hock as a result of being galloped on.

The horse was treated by the veterinary surgeon.

S. Comments:Apprentice E. Ljung was asked to comment on the horse's performance. She indicated that when rounding the home turn the horse was under heavy pressure to hold a position, however after entering the home straight the horse did respond to her riding and finished the race off strongly. She added that the horse would be better suited to a race over a longer distance and has raced best when there is more genuine speed in the early stages.
