S. Comments:Laid in under pressure in the home straight. Jockey N. Tomizawa directed his mount out near the 150m to relieve pressure on the runners to his inside and as a result, JONDY QUALO, which was following, clipped heels and blundered. Stewards did not take any action in relation to this incident, as they were satisfied that jockey Tomizawa's actions were not careless. A post-race veterinary examination revealed the gelding's near hind leg to have been galloped on.

S. Comments:When questioned jockey T. Brooker advised the horse travelled well until the 400m, however when placed under pressure failed to respond and proved very disappointing in the run to the line. A post race veterinary examination revealed the horse to be making an abnormal respiratory noise and connections were advised that they must provide the results of an endoscopic examination, which must be performed after exercise, along with the provision of a veterinary certificate prior to its next race start.
