S. Comments: When asked to comment on the performance of his mount, which he indicated was disappointing, stated that the horse settled at the rear of the field, as is its recent pattern, and despite travelling comfortably throughout did not respond to his riding and was very disappointing in the run to the line. He could not offer any tangible explanation for the performance other than to state that carrying 60 kilograms may have had some bearing. S. Comments: When guestioned by Stewards in relation to the seemingly disappointing performance, jockey J. Bayliss advised that the gelding travelled in a good position throughout, however when the pace of the race quickened it failed to respond to his riding as he had anticipated, and proved disappointing over the concluding stages. During a post-race veterinary examination, the gelding coughed on a number of occasions.
