S. Comments:Prior to the race, Trainer B. Currie reported to Stewards that the filly, which was first up from a lengthy spell today, sustained a pelvic injury following its last start. Trainer B. Currie later advised that whilst, on face value, the performance of the filly was disappointing in tonight's event, as the horse was resuming off a 13 month spell it will derive a significant fitness benefit from tonight's event, and he is hopeful of an improved performance at its next start. A post-race veterinary examination revealed no abnormalities.

S. Comments:Following the event, Trainer B. Currie was at a loss to explain the disappointing performance of the filly. He advised that the filly had improved in fitness from its first up run and was working well in preparation for tonight's event. In the light of the performance, Trainer Currie indicated that he will have his stable veterinarian examine the horse in the coming days.

S. Comments:Reared as the start was effected and lost ground. Jockey J. Lloyd was asked to comment on the performance of the horse. He indicated that his mount was fractious in the barriers and reared up and missed the start and he was obliged therefore to ride the horse further back in the field than he would have liked. He further added he had been following NORMANDY, however shifted to the outside of that horse after passing the 600m and shortly thereafter the horse was under pressure and was very disappointing. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Became fractious in the barriers and reared on a number of occasions prior to the start being effected. Raced 3 wide without cover throughout. When questioned regarding the poor performance, Trainer Mr. B. Currie advised that he was of the view that the gelding did not handle the heavy track of today's event. A post-race veterinary examination revealed no significant abnormalities other than that the gelding was exhibiting a slightly slower post-race recovery.

S. Comments:When questioned regarding the horse's performance, J. Byrne stated that after having a favourable run, the horse was then shifted out near the 400m to improve into the race, however failed to respond and was disappointing. He added that the gelding may be better suited on a firmer surface than that of today. Trainer B. Ahrens advised that he felt that the horse does not handle rain-affected conditions and has previously not raced well at this venue. He was of the view that these two factors may have had a detrimental effect on the horse's overall performance.
