S. Comments:Questioned re tactics: rider stated he was instructed to obtain position with cover. Gelding over-raced early stages so allowed to stride forward to sit outside leader near 1400m. Attempted to restrain to sit off leader in middle stages but that horse continued to race to his inside resulting in his horse over-racing in the middle stages which prevented him from restraining it any further. Stewards advised him that he should have made a greater effort to restrain the gelding in the middle stages so as to sit off the leader and give his mount every opportunity of finishing off the race.
