He stated the horse raced quite greenly in the early stages and overraced badly at heels. Apprentice Huxtable added he was obliged to shift out to avoid heels approaching the first turn and as a result raced wide from that point onwards and allowed his mount improve into the race. He added that the horse's manners in the early stages did have a detrimental effect on the horse's overall performance, and the horse despite this ran on fairly.

S. Comments:Laid in over the concluding stages. When questioned by Stewards in relation to the gelding's seemingly improved performance, the trainer's representative advised that, in his opinion, the horse's form had been good prior to its last start at the Sunshine Cost on 28 July 2019 and, following its disappointing performance on that occasion, the stable had elected to send the horse for a spell. He went on to say that the gelding had been working well and jumped out well in the lead up to today's race and, in his opinion, had benefitted from the inside barrier today.
