S. Comments:Stewards afforded Apprentice the opportunity to comment on the seemingly disappointing performance of the mare. He stated that his instuctions were to lead in today's event however he was challenged for the lead by another runner and as a result he was unable to obtain the lead on his own. He added that he was of the view that this had a detrimental effect on the mare's performance. A post-race veterinary examination revealed that the mare was displaying a slow recovery rate.

In Running: 10/9/10 S. Comments: App. N. Vuille stated that she was instructed to ride her mount as she had at its previous start, that is to keep it clear of other runners and commence a run leaving the 700 metres. She added that over the 1600 metres gelding felt flat, however in the latter stages of the straight considered it made some ground. Trainer M. Attard said that he would give the horse a further start, with a senior rider engaged and horse would spell following.
