S. Comments:commenced to overrace shortly after start and continued to do so for some distance and near the 1000m improved on to and clipped heels, and blundering. Forced wider on the track leaving the 900m, then forced to race wide from that point on. Rider questioned re performance, stated that when improving on to heels and blundering when the pace slackened near the 1000m he was then further inconvenienced by another runner, which was racing fiercely and shifted him wider on the track, and in his opinion was a telling factor in the horse's performance today. Stewards noted his explanation.
