Jockey Hellyer was of the view that the mare may have come to the end of its current race preparation. Trainer C Anderson confirmed that the mare will now be sent for a spell. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

S. Comments:Rider questioned RE: tactics adopted, rider stated that she was instructed not to overly restrain the gelding as it often resented this tactic and overraced as a consequence. Rider added that for this reason passing the 1700m she was reluctant to restrain in an effort to maintain a trailing position. As a consequence, when taken wider at that point she allowed the gelding to stride forward resulting in racing three wide for the remainder of the race. Compounded from the 800m. He stated previous start was over a shorter distance than today's event, the gelding was not suited by the quick early pace and was unable to take up a forward position, however the horse found the line strongly over the concluding stages. He added that with the step back up in distance today in a smaller field, the gelding was able to take up a forward position and travelled comfortably throughout, which he believed attributed to the improved performance. Trainer G. Cornish agreed with jockey Taylor's assessment.
