S. Comments:When questioned regarding his riding of the mare, Jockey explained that he had been instructed to take up a position with cover. He said that after beginning particularly well from the outside barrier, when runners to his inside showed superior speed he elected to restrain his mount in an attempt to find cover. He said that the only way this could be achieved was to restrain to the tail of the field, where his mount travelled comfortably throughout, and after obtaining clear running on the rail in the straight the mare ran on well. The explanation was noted.

After taking evidence from apprentice Murphy, stewards advised him that, in their opinion, he had erred in failing to shift out around the heels of KENTAUR after passing the 700m, which would have afforded him clear running and as a result of his failure to shift wider, FOREST WAY was held up for clear running from the 600m until approaching the 250m.

Stewards took into account his status as an apprentice and took no further action.

Improved onto the heels of another runner soon after and continued to race fiercely, before improving into an extremely narrow run placing a runner to its inside in restricted room. When questioned by App. Jockey advised that despite her best efforts she had been unable to restrain the gelding in the early and middle stages.
