Held up for clear run in early part of h/straight before improving onto heels approaching 150m & shifted wider. When asked about tactics. Trn stated intention to have gelding in forward position, however; can have a tendency to begin moderately and if so, gelding was to be ridden with cover. When asked tactics. in particular early part of race, Rdr confirmed gelding had begun moderately in past & added with delay of start, this may have contributed to not beginning as expected.
