| S. Comments:Inquiry re performance. Rider indicated that despite obtaining the lead, the mare, in his opinion, did not travel comfortably at any stage and proved disappointing when placed under pressure over the concluding stages. He added that the mare may not have appreciated racing in blinkers. A veterinary examination revealed it had pulled up in a distressed state and was suffering from thumps. Poor post race blood result was reported by trainers representative and the mare would undergo treatment prior to next start. |  |  |  |                      |                   |                                       |  |

When questioned regarding the horse's poor performance, R. McMahon stated that after being caught three wide to the home turn, the horse failed to respond to his riding under pressure and in his opinion was disappointing. A post-race veterinary examination revealed no abnormalities. A swab sample was taken.                                                                                                                                                                                |                    |                 |                                        |                         |

Comments:Began awkwardly and shifted out at the start, bumping another runner. When questioned regarding the improved performance of the horse, in contrast to its previous start at Beaudesert, trainer R. Mackay advised that at its last start, after being caught wide, the horse was ridden back in the field, which was to its detriment. He added that the horse is better suited when ridden on the pace, and on its home track under rain-affected conditions today he expected a forward showing from the mare. | 54.5 Taylor Williams      | (8) 54.5 (52.5) R60 | \$15,000 \$13 \$13<br><b>In Running: /8/11</b>         |
