Browne regarding his tactics from the 600m as this horse was held up from approaching the 500m until leaving the 200m. Jockey Browne explained that after passing the 600m he shifted off the fence and secured a position behind MAXWELL, which he believed was a chance in the event and which he felt would take him into the race in the home straight. Jockey Browne agreed that his mount was travelling quite well during this section of the event and indicated that near the 400m he had considered shifting back to the inside, however that position quickly closed shortly afterward

S. Comments:Stewards questioned D. Browne regarding his tactics from the 600m as this horse was held up from approaching the 500m until leaving the 200m. Jockey Browne explained that after passing the 600m he shifted off the fence and secured a position behind MAXWELL, which he believed was a chance in the event and which he felt would take him into the race in the home straight. Jockey Browne agreed that his mount was travelling quite well during this section of the event and indicated that near the 400m he had considered shifting back to the inside, however that position quickly closed shortly afterward

He added that at a point passing the 800m no opportunity arose for him to improve on the back of another runner and therefore he elected to wait and not expose his mount too early. He added that gelding ran on well over the concluding stages.

S. Comments:Finished tailed off. Rider M. Cahill indicated that the horse did not travel comfortably throughout the race and commenced to hang out near the 700m and made an abnormal respiratory noise post-race. A post-race veterinary examination revealed the horse to be exhibiting cardiac arrhythmia. Trainer D. Hansen was advised that before racing again the horse must perform satisfactorily in an official barrier trial and the results of an ECG must be presented to stewards.
