He said that last start it travelled well in the run on the speed but failed to finish the race off over the concluding stages. Therefore, he elected to remove the blinkers for today's event. He added that the horse was having its third run back from a spell in the appropriate grade today and he was hopeful that the horse would race much better and he was not entirely surprised by its win.

He indicated that although the horse raced very greenly throughout the event, it responded well to his riding in the home straight and he was obliged to stop riding and alter course near the 100m in order to secure clear running. He was of the view that the horse would take benefit from the run and he had recommended to connections to step the horse up over 1600m. A post-race veterinary examination revealed a small amount of blood in the offside nostril as a result of external trauma.
