S. Comments:Connections advised that it would be the intention for the horse not to lead but to obtain cover. The horse was ridden accordingly and, due to the slow pace set in the early stages, overraced badly and was restrained from heels on a number of occasions prior to the 800m and at that point shifted wider on the track and raced wide from that point onwards. Bumped by another runner when it was obtaining clear running rounding the home turn.

S. Comments:Began awkwardly. When questioned regarding the horse's performance, D. Smith could offer no explanation other than that the gelding raced flat today. Trainer's representative Mr M. O'Leary agreed that the gelding raced somewhat flat today and added that in light of today's performance the stable will now review the current preparation of the gelding which may include sending it for a spell. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

When asked to comment on the performance, Jockey D Griffin explained that the gelding travelled comfortably in the early stages and when the speed slackened in the middle stages the gelding was left flat-footed in the sprint home over the final 400m. He further added that he was not disappointed with the performance but felt the tempo of the race may not have entirely suited the gelding today.

He stated that his instructions were to have the gelding race on the speed, which was its usual pattern. He added the trainer indicated that if he was to be caught three wide he would be satisfied with that position, noting that whilst positioned three wide, the horse had overraced. Stewards were of the view that jockey Crawford may have erred in his tactics by continuing to sit three wide outside BAREFOOT TYCOON. S. Comments:When questioned regarding the seemingly improved performance, Trainer R Lyford explained that the gelding which was having its first start for the stable had worked reasonably, including a jump-out where it had performed competitively. Mr Lyford further added that he expected the gelding to be looking for distances further than that of todays event and was surprised by the win. He further added that with the fast tempo up front in a small field, this was a contributing factor to the gelding finishing the race off in the manner in which it did.
