S. Comments:When questioned regarding the run, apprentice A. Thompson stated it was his instructions to race in a forward position, however, after working to a three wide position he elected to push forward approaching the 800m to the outside of the leader. As a result, he was then reluctant to overly restrain his mount as it had previously had a tendency to get its head up in track work when being restrained. He added that he would have preferred to have obtained a position on the rail or sitting off the header, however, he was unable to do so and the horse thereafter gave ground in the straight. Trainer

S. Comments:Apprentice B. Nothdurft was asked to comment on the performance. He stated that the horse, in his opinion, was disappointing in its finishing effort after enjoying a favourable run whilst leading in the early and middle stages. He felt that the horse was still travelling comfortably approaching the 300m, however, when asked for an effort failed to respond. He added that the horse also laid in under pressure in the home straight.
