S. Comments:Apprentice K Wilson-Taylor reported that the mare travelled comfortably in the leading position until a point entering the home straight, however when asked to quicken the mare did so for only a short distance and was under pressure from the 300m. Apprentice Wilson-Taylor added that in his opinion the mare was also not suited by the firm racing surface. A post-race veterinary examination revealed the mare to be short striding in front, however no further abnormalities were detected.

S. Comments:Bumped on jumping. Leaving the 800m, commenced to race keenly. Approaching the 100m, was held up for clear running and when attempting to shift to the outside of TYPHOON TAAVI, was disappointed for a run when COMRADE ROSA improved to that runner's outside. As a result, was then forced in back across the heels of TYPHOON TAAVI, and had to be restrained, shifted out and was severely hampered.

 S. Comments:Apprentice K Wilson-Taylor reported that the mare travelled comfortably in the leading position until a point entering the home straight, however when asked to quicken the mare did so for only a short distance and was under pressure from the 300m. Apprentice Wilson-Taylor added that in his opinion the mare was also not suited by the firm racing surface. A post-race veterinary examination revealed the mare to be short striding in front, however no further abnormalities were detected.

S. Comments:When asked to comment on the performance of SO DAZZLING, jockey C. Williams stated that despite the wide barrier he could offer no excuses for the disappointing performance, and added that the filly raced plainly throughout. Trainer J. Sargent stated that he was of the opinion that the filly had no luck in running, and was better suited on rain effected tracks. He advised Stewards he would report back any condition that may come to light in the coming days that may have effected the filly's performance. A post race veterinary examination revealed no significant abnormalities.
