When asked about performance and the tactics, Rdr reported understood instructed to have gelding ridden further back, however, gelding is better suited when racing in a more forward position. When questioned, Tnr stated instructions were to begin neutrally on the gelding, and attempt to obtain cover on the fence as gelding has a habit of pulling hard previously.

S. Comments:When asked about performance & tactics, Rdr reported from wide draw, instructed not to pressure mount early & attempt to find cover-said this resulted in mount settling further back than had hoped-added gelding would derive benefit from raceday experience and anticipates that from a better draw, would be able to settle further forward than it did. Tnr rep confirmed instructions issued.
