S. Comments:Over-raced in early and middle stages. When questioned re tactics, in particular over the middle stages, Rdr stated mount over-raced in the early and middle stages and was intention to maintain a position at the rear, however, after another runner improved to outside passing the 1000m, this caused mount to take charge, forcing gelding to sustain an extended run which was detrimental to its finishing efforts. A post-race vet exam revealed minor abrasions to off-hind leg.

S. Comments:Near the 250m, disappointed for a run. When asked about performance, Rdr intention to settle in a more forward position, however; filly was unable to muster early speed & settled further back than anticipated-added had difficulty obtaining clear running in the early stages of the home straight, but was also of the view filly peaked on its run.

S. Comments:When quest re tactics, Rdr explained instructed to ride mare cold, similar to last start-said was able to get mare to settle early, however; was mindful on a quick back up, not to be exposed to an extended run too far out-said after 600m, when positioned in a pocket at rear was unable to improve & elected to ride for luck on entering home straight-added mare has a tendency to lay in & when commencing run on straightening, became awkwardly placed at heels for a short distance before finishing off race positively. Tnr not disappointed with run given large weight & quick backup.
