S. Comments:On leaving the gates, was bumped and took a short distance to muster speed, settling further back than expected. When asked about improved performance, Tnr was unable to offer any explanation for the performance at Dalby, where the filly was eased down from the 100m-said given its performance where filly was under pressure coming to the home turn, did not believe the distance was an issue-added filly was fine on returning after the race & since then, has not altered its training regime and hopeful filly would return to its previous good form.

S. Comments:Bumped on jumping. Passing the 1100m forced wider and steadied from heels. Rdr stated intention to be more forward, however filly missed the start, and obliged to race back-added slow tempo of race and tight turning track worked against filly, adding mount did make good ground from the 400m, before peaking on its run near the 100m.
