When asked to explain tactics in settling at rear, which is in contrast to horse's only race start, Rdr explained had been instructed to obtain cover in a forward position and if mount did not settle, permitted to stride to the lead-said after being inconvenienced on jumping away, attempted to obtain cover midfield early, though elected to restrain to the tail of the field to obtain a position closer to fence. Trnr's rep confirmed that settling at rear of the field had not been the pre-race instructs.
