instructs-added at no stage did anticipate being as forward as where mount settled. Tnr confirmed instructs & was satisfied Rdr had attempted to follow			
instructs, however whilst not critical of ride, in hindsight, may have been better served riding forward after beginning well.

When asked re tactics, Rdr said instructed to be positive early, allowing gelding to travel where comfortable and avoid restraining if possible-said after beginning awkwardly and with speed shown by inside runner, pressured mount early, but failed to respond to riding passing the 800m, and in hindsight, may have been better to bring gelding back rather than persisting to maintain the lead.
