Comments: Questioned to tactic - jackey stated from wide barrier	intention to position at rear	of field. In early ctag	nec elected to race to outside of CASTA

LA CAT in early stages. Noted mare resented being ridden aggressively and as such was reluctant to place it under undue pressure in early stages. Passing 800m became concerned with amount of ground lost on remainder of field and commenced to ride mare along, at which point it improved into race and then finished the race off well. Jockey agreed with stewards and conceded he had erred in early stages.

S. Comments: When questioned regarding the improved performance, trainer M. Hemmings advised Stewards that he had been working on improving the

gelding's racing manners, as it had hung out and raced ungenerously at its two preceding starts at Toowoomba, and he felt the improved performance was largely due to the gelding racing more tractably today. He added that in his opinion the gelding also benefited from racing on its home track today.

S. Comments: Questioned re the performance, rider stated that his mount began well and established the lead quickly, added that his mount raced keenly in the early and middle stages and was under pressure from the 700m to maintain its position, also stated his mount failed to sprint in the straight and was disappointing. Trainer reported in the days subsequent that the mare had pulled up well and that he would add a tongue tie to its gear as he suspects it may have got its tongue behind the bit during the event. A post race vet exam did not reveal any abnormality.

S. Comments: Jockey R. Fradd stated the horse had led with him previously over 1200m and overraced with him on that occasion. He said today after establishing the lead it commenced to overrace and despite his efforts to restrain to allow LANDALE to cross him, it pulled hard and for this reason took further than he would have liked to have it settle.

S. Comments: Knuckled on jumping away and lost ground. Raced wide in the middle stages.
