S. Comments:On leaving the gates, was bumped and took a short distance to muster speed, settling further back than expected. When asked about improved performance, Tnr was unable to offer any explanation for the performance at Dalby, where the filly was eased down from the 100m-said given its performance where filly was under pressure coming to the home turn, did not believe the distance was an issue-added filly was fine on returning after the race & since then, has not altered its training regime and hopeful filly would return to its previous good form.
