S. Comments:Inquiry re performance. Rider said was instructed to position back back in the field and after beginning well from a wide alley in order to fulfil instructions he took hold to take a trailing position. He said after the crossing when placed behind other runners near the 600m his mount commenced to race greenly and he had to pressure his mount, and the gelding laid in under pressure in the home straight. He felt it would benefit from the addition of blinkers and stepped up over more ground. Trainer agreed with those, adding it may race in a more forward position next start.

S. Comments: Commenced to overrace when the pace slackened leaving the 900m and shifted out, inconveniencing another runner, and was then obliged to race wide without cover. Trainer L. Tipper was advised that a warning would be placied on the gelding's racing manners. A post-race veterinary examination revealed a small laceration inside the off hind cannon.

Trainer B. Andrew stated that he felt the gap between runs and today's heavy track may have had a bearing on the horse's overall performance. Stewards noted the explanations.
