S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

| S. Comments:Questioned re: improved performance stable noted the filly was having its second race start. At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell. | | | | |
